

BECKER: MEDICAL HUMAN SOLUTIONS is an organisation specialised in the recruitment of personnel for key positions in the medical field. On behalf of our client, a renowned hospital outside Vienna and with a catchment area of 300,000 people, we are searching for a

## **specialist doctor – 1x oncologist and 1x gastroenterologist**

### **What the position offers:**

- an attractive remuneration and extra income opportunities with an average of three to four night shifts per month
- the department has a special focus on gastroenterology & hepatology, haemato-oncology and endocrinology with diabetes mellitus
- 80 beds in the department
- a well-balanced workload, both in the in-patient and out-patient units
- 15 days per year of paid external further training and excellent knowledge transfer
- a well-established and motivated team
- possibility of on-site accommodation from € 214 per month, or even a terraced house at a very reasonable price

### **What you can offer:**

- a position as an experienced doctor with a specialisation in gastroenterology. The proposed position involves not only in-patient work, but also out-patient treatment in the following fields: endoscopy including ERCP, sonography, endosonography and gastroenterological functional diagnostics. There will also be the possibility to become responsible for a particular field, depending on your specific skills.
- a position with fully-completed training as a specialist in internal medicine. Additional training in endocrinology and metabolic disorders would be a further advantage.
- You are a team player who appreciates and promotes openness in your work relations.

The average gross annual salary ranges from € 90,000 to 100,000, depending on prior experience as well as the number of night shifts. Total working hours, including night shifts, may not exceed 48 hours/week (a standard working week is 40 hours). en/Woche ist Normalarbeitszeit). In addition, there are various monthly supplements. We fully support foreign applicants, helping them with all administrative paperwork required to be registered as a medical doctor in Austria and accompanying them to interviews.
